### BOOKCASES

#### DOUBLE DOOR STORAGE CABINETS OVERHEAD STORAGE CABINETS

All Great Openings products include a Lifetime Warranty and meet or exceed ANSI-BIFMA standards for durability and safety. We are an ISO 9001 certified manufacturer.

#### Overhead Cabinet and Shelf Features:

- Over-The-Top Stowing Door Overhead Cabinet may be hung on a structurally sound wall or on various systems panels.
- Inside-Stowing Door Overhead may be hung on various systems panels.
- Overhead Cabinets and Shelves are shipped KD, ready-to-be-assembled at the work site.
- Rigid all-welded steel construction is formed in key areas for strength. Both overheads feature 16-18 gauge metal sides, shelves and the top with 20 gauge doors.
- Master keyed, core removable locks are included as standard. Cabinets may be keyed alike in the field.

#### Overhead Cabinet and Shelf Brackets

Any Overhead Storage Cabinets or Shelves may be ordered with brackets for the systems listed below.

- Herman Miller Action Office®
- Herman Miller Ethospace®
- Haworth Unigroup®
- Haworth Places®

#### Surface Materials:

- Finishes - All Great Openings products are available in 50 standard colors. Select or custom colors are available.

See our Finish Card or Price Book for details.

#### Latitude Plus:

The best of quality and design...

- Over-The-Top Stowing Door Overhead Cabinet may be ordered with "Easy-Down" slides so that the door closes slowly and effortlessly.

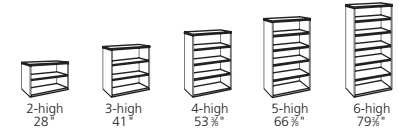

#### Accessories:

- Magnetic shelf dividers
- 1 1/4" overhead storage back stop
- "Easy-Down" slide for Over-the-Top Stowing Door Overhead Cabinets.

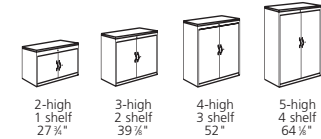

### BOOKCASES

Double-walled bookcases with adjustable shelves will accommodate binder-height storage in each compartment. Order either radiused or squared front vertical edges. Bookcases are 13 3/8" deep and either 30", 36" or 42" wide.

### DOUBLE DOOR STORAGE CABINETS

Locking storage cabinet features concealed hinges that allow for 110 degree opening. The shelves are adjustable. Also available with a side-to-side coat rack on the 5 high. Storage Cabinets are 17 3/8" deep and 36" wide and dimensionally compatible with our lateral files.

Available with all drawer fronts except "I" front.

### OVER-THE-TOP OVERHEAD STORAGE CABINETS

These locking, all-metal storage bins are available with door storage over the top of the cabinet. Over-the-top cabinet may be hung on a variety of panel systems.

### INSIDE STOWING OVERHEAD STORAGE CABINETS

These locking, all-metal storage bins are available with door storage receding inside the cabinet, and are designed to hang on a variety of panel systems.

### OVERHEAD STORAGE SHELVES

Shelves are available in two different heights (full height and half height) and nine widths. Shelves may be hung on a variety of panel systems.

### WALL-MOUNTED OVERHEAD CABINET

Wall-Mounted Overhead Cabinet features a locking over-the-top stowing door cabinet along with horizontal and vertical mounting brackets which allow the cabinet to be hung directly on a structurally sound wall.
