Scope

This 93,000 sq ft Partners facility is adjacent to the entrance of **Gillette** Stadium in Foxboro, MA, home to the New England Patriots. The facility design supports the needs of patients while providing a range of health care services, diagnostic radiology, lab services, day surgery and sports medicine. This location also includes physician office space, administrative and nursing stations, procedural exam and operating rooms, and advanced imaging technology. The Office Resources project team was instrumental throughout every phase of the project.
