

Elevation Standing Height

Goes Great with Work.®

Elevation combines architectural appearance with case-in-shell construction for unique design and value. Durable thermally fused laminate surfaces are 1" thick with smooth, soft-roll edges made of heavy-duty, 3mm PVC AdvantEdge for long term durability. Overhead storage units feature an open back with six paper storage compartments above.

72" x 30" x 40"

- One box/box/file locking pedestal
- Pre-installed filing hardware for letter or legal filing
- Open storage pedestal on connecting side
- Standing height allows greater mobility
- Stand or use extended height task chair
- Some assembly required

Full-size Pedestals feature standard box/box/file or file/file drawer configurations.

Open Pedestals. Desks feature an open storage pedestal in the connection corner, providing extra concealed storage for CPUs, gym bags, handbags, etc. Includes grommets in bottom and side.

Creative Colorways. Specify pedestal color to match, complement or contrast the color of worksurfaces, modesty panels and drawer fronts. Color combinations can vary between facilities, departments, even individual offices. Laminate and pull colors (shown below) match Atlas, Hyperwork, Agility and Uniwork series.
