Timeless design

The **Westboro** collection is a transitional design equally at home in traditional or more contemporary settings. Three-ply radial cut veneer is painstakingly finished in your choice of a warm Honey Cherry or a rich Rouge Mahogany finish. These striking finishes are further enhanced by flaired top and base molding that adds architectural interest to the entire collection. Extra open pedestal in connecting corners of single pedestal desks and credenzas features one grommet in the inside panel for CPU storage applications. You can customize the look of your office through your choice of either the sleek wooden door overhead unit or the TriCabinet hutch with etched glass doors, glass shelves and curio accent lights. The TriCabinet hutch also offers the option of an open or closed back to suit your specific application. For a lighter touch you might consider the elegant table desk which offers classic lines with modern day convenience. Optional locking available.

LEGACY VENEER

Natural beauty

Legacy inspires excellence with the unique characteristics of wood, apparent in the select book-matched cherry veneers and rich Rouge Mahogany finish. Authentic design, solid hardwood edges are carefully crafted. Reverse coped edges and common grain direction on bridges and returns signify the attention to detail throughout the collection. Choices include traditional picture-frame molding and overlapping or inset drawer fronts. Legacy desks feature writing shelves, center drawer and central locking. All pedestals feature legal/letter filing with easy-adjust ProFile filing hardware and smooth-action, steel ball-bearing drawer slides.

Time-honored traditional design

Inverness brings the warmth and beauty of wood to office environments. All surfaces feature select hardwood veneer, presenting the natural characteristics of wood and making each furniture piece unique. No two desks are exactly alike. Common grain direction across desks, returns, bridge and credenzas increases aesthetics. Reverse coped edges on bridge and returns create smooth worksurface connections. Balanced-panel, three-ply construction is standard. Choose Rouge Mahogany or Honey Cherry satin finish with catalyzed lacquer topcoat. Crown décor, light rail picture frame molding, traditional design pulls and decorative base trim are standard. Optional locking available.

TABLE DESKS

The table desks are an attractive blend of high-tech and high-style, designed to address the needs of home and executive level offices. A generous work surface is large enough for both a writing area and a computer.

Available in Honey Cherry and Rouge Mahogany with your choice of tapered or Queen Anne leg styles complemented by an inlay design on faux drawer fronts. Flip-down center keyboard tray with decorative front, encloses a full suspension keyboard/mouse tray. Available in multiple sizes as well as rectangular and bow front.

The table desks reflect the style and construction of our current veneer families, allowing you to use a table desk with any of our veneer product lines.
