With an extensive range of full and 3/4 pedestal units, **Vitality** addresses all areas and levels of an organization with one collection of finely crafted casegoods. Tops are high-gloss, high pressure laminate for executive level perception and front-line performance. Solid wood edges are shaped and finished for handcrafted appearance. 3/4 pedestal units offer sturdy case-in-shell construction creates rigidity for high quality and long-term durability.

Full pedestal units are pedestal based and feature executive-width drawers for additional storage and filing area. Optional lateral file credenza shown above.

Choose from full pedestal and 3/4 pedestal units to address all levels of an organization with one design.

Mahogany

Windsor Cherry

Writing slides conveniently extend work area when required. Standard on full pedestal desks.

Bridge and returns feature reverse coped edges for a smooth work surface connection and common grain direction with desks and credenzas.

Wire management grommets located at surface height for easy routing of phone/data/electrical wires.

Legal and letter filing front-to-back or side-to-side standard on full pedestal units. All file drawers feature filing hardware, single key locking and heavy-duty, full extension slides.
