

It's about: a project team presentation space  
See Thoughtstarter 15 for adjoining space

**Architecture**

*Balancing Privacy*

Create space division and moderate visual privacy with architectural framework products and full-height moveable walls

*Making Work Visible*

Provide a structure for visual display with architectural framework products and full-height moveable walls

Products to consider: Pathways Privacy Walls, Pathways Post and Beam

**Furniture**

*Managing Connections, Making Work Visible*

Display project work using markerboards and tackable surfaces

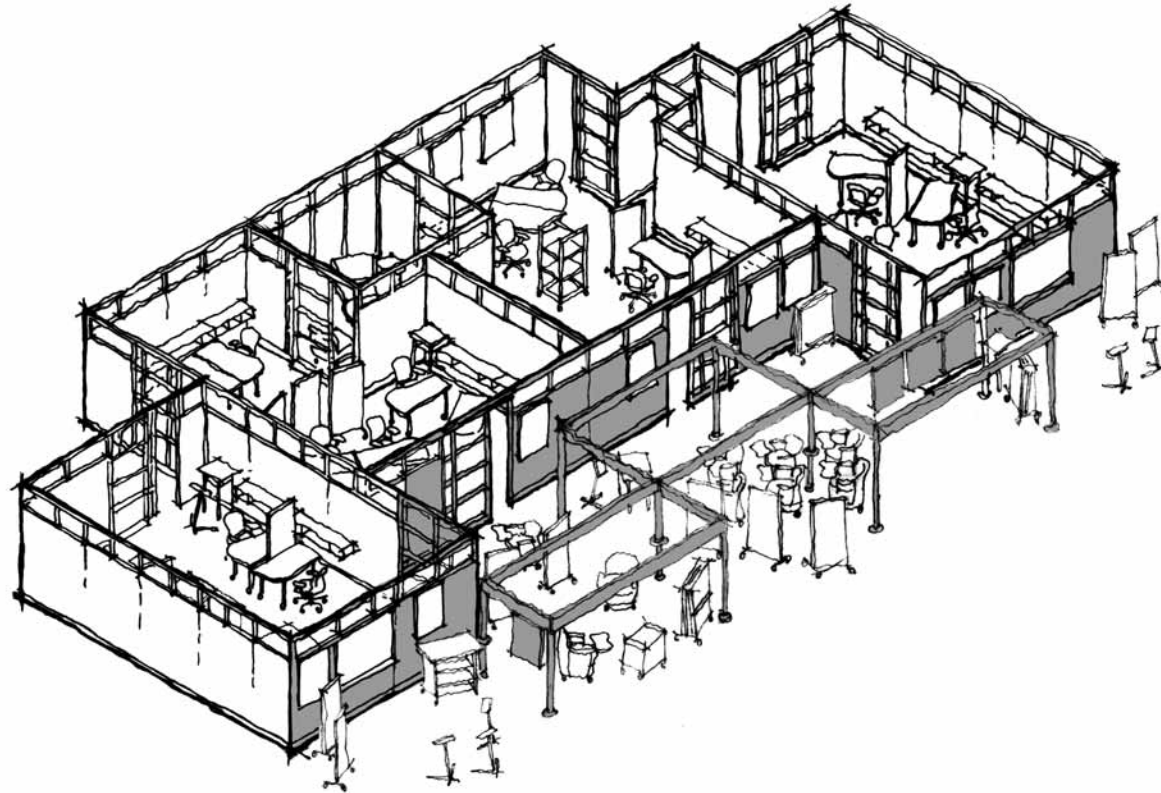

Products to consider: Metro Detour Sidebar table, Metro Detour carts/stations, Huddleboard, PolyVision markerboards, Activity Products mobile markerboards, Brayton Migrations seating, Lean Too

**Technology**

*Managing Connections, Making Work Visible*

Access connectivity for projection devices quickly and easily via full-height moveable walls and architectural framework products

Products to consider: Pathways Privacy Walls, Pathways Post and Beam

**Managing the workplace strategically**

Creating and managing a high-performance workplace demands the thoughtful planning of numerous diverse and interconnected issues

- Define goals and measure results in line with corporate strategies
- Apply architecture, furniture and technology products—insuring flexibility, dependability, adaptability and environmental responsibility.
- Combine efficiency and effectiveness by focusing on how people actually work and by applying the appropriate planning principles.

Note: Some application restrictions may apply for seismic zones 3 and 4

Each worksetting addresses these planning principles at varying levels based on need. This worksetting maps out as follows:
