BOARD OF TRUSTEES

To quote an old expression...“June is busting out all over!” We have opened the pool, the fashion Show is being planned, Father’s Day celebrations are on the home front, Independence Day celebrations are forming and Zumba classes are in the works. That is only a few of the activities we have added to our ongoing calendar of events. Oops.... don’t forget Bocce tournament. See the Breeze for all the details.

“Greet Your Neighbors” will be Saturday, June 4th at 9:30AM

Ercole Beltramini has once again done a masterful gardening job decorating the Clubhouse. His efforts have beautified the building. If you can take a turn watering, please sign-up in the office. Did you notice, at the end of last season we utilized the willow trees from the pots to create a permanent hedge by the pool. Multi planning at work!!!

Continuing our concrete replacement plans, we are gathering estimates for the needed driveway curbing. This is the responsibility of the community, not the Township. With a 25 year life expectancy for concrete, we are staying pro-active on our needs.

Trusting that you enjoy the summertime weather after all our showers of May!

The next Open Board Meeting is Wed, June 15 at 2PM at the Clubhouse.

A REMINDER

A Reminder—The nice weather is soon to be
upon us and it is time for us to care for the outside
of our homes. We should inspect our lawns and
the exterior of our homes for any winter damage
we may have overlooked. Remember, this is our
responsibility. Planting grass seed and flowers
is always a wonderful way to bring in the spring
season. Overhanging branches can help give the
animals a direct path into your home and should
be cut back. Finally, it is the property owner's
responsibility to clean up damaged shrubbery and
fallen branches from their property
after storm conditions.

I am a **Pheasant Run Resident** and aware of the advantages of Pheasant Run and value that it offers.

If you are thinking of selling your home or just have questions, give me a call and **BE SURE TO ASK FOR ED**. I would be happy to provide you a **free, no obligation market analysis**.

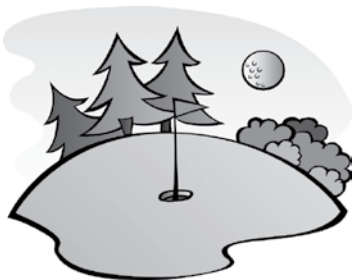

Over one half of the Pheasant Run homes sold so far in 2015 were listed with RE/MAX at Barnegat Bay. The highest priced Brigantine, Cape Cod, Devon and Edgewater model homes sold this year were listed with me! I continue to be very thankful to those sellers who place their confidence in me.

I am here to help you throughout the selling process.
This includes listing your home at the right price, receiving your funds on the day of closing and all the details between the two.

FREE REPORT on homes sold in Pheasant Run in the past 6 months. Call 609-242-6012, 24 hours a day. Leave your name and address and I will send the report to you.

PHEASANT RUN GOLF

ROGER 609-994-3283

Another week has gone by and everyone seems to be in great shape and looking forward to another year. The weather has been great and can't complain about it. We have 16 paid members and 12 a week so far, which is really working out. We will have our first Scramble the first week of June. Looking forward to the competition. A final note—Two golfers were sitting at the 19th hole discussing their game, one says to the other “my game is so bad this year I had to have my ball retriever regripped”. Have a great month guys!

PHEASANT RUN BOWLING

MARGARET HUGHES 609-660-2578

Well that is another Pheasant Run bowling season over for another year. How successful was it? That depends on how you want to see it. Did you have fun being with people and maybe meeting new ones? The Godfathers took first place by quite a large margin so congratulations to the entire team. You all did well. The Dream Team was valiant in their efforts but managed to stay in last place. All the other teams could have been contenders.

Going forward in order to keep the league going we need some new or refreshed bowlers. At present we are down to 9 teams and of those some do not have 6 players. Ideally 10 teams of 6 is the point to be at. Anyone interested in joining this fun and social activity, please leave your name and number with the office (609-698-0663). There will be a meeting of the league later in the summer which will be in the Breeze. Hopefully all present bowlers will be there as well as many new recruits. This past season we got some really good people so talk it up and see if we can beef up the league.

When you need something done.

USEFUL CREDIT INFORMATION

The next time you order checks, have only your initials (instead of your first name) printed on them. If someone takes your checkbook, they will not know if you sign your checks with just your initials or your first name but your bank will know how you sign your checks.

Place the contents of your wallet on a photocopy machine and copy both sides of your license, credit cards, etc. You will know what you had in your wallet and all of the account numbers and phone numbers to call if you need to cancel them. Keep the photocopy in a safe place and carry a copy of your passport when traveling in the United States and abroad.

Here is some critical creditcard information to limit the damage in case your card(s)-are lost or stolen. We have been told that we should Cancel our credit cards immediately, but the key is having the toll free numbers and your card numbers handy so you know whom to call. Keep those where you can find them easily.

Most important, review any credit card statements immediately and report any errors. Review your credit report yearly and report any errors.

File a police report immediately in the jurisdiction where a card was lost or stolen. This proves to credit providers that you were diligent and it is a first step toward an investigation, if there ever is one.

Here's what is perhaps MOST IMPORTANT! Call the three national credit reporting organizations immediately to place a fraud alert on your name and Social Security number.

The numbers to call are:

Equifax: 1-800-525-6285

Experian (formerly TRW) 1-888-397-3742

Trans Union: 1-800-680-7289

Social Security Administration (fraud line): 1-800-269-0271

POEM - "I WISH YOU ENOUGH"

SUBMITTED BY: FRANK CLEMENTE

Recently I overheard a Father and daughter in their last moments together at the airport. They had announced the departure of her flight.

Standing near the security gate, they hugged and the father said, "I love you and I wish you enough."

The daughter replied, "Dad, our life together has been more than enough. Your love is all I ever needed. I wish you enough too, Dad."

They kissed and the daughter left. The Father walked over to the window where I was seated. Standing there I could see he wanted and needed to cry. I tried not to intrude on his privacy, but he welcomed me in by asking,

"Did you ever say good-bye to someone knowing it would be forever?"

"Yes, I have," I replied. "Forgive me for asking, but why is this a forever goodbye?"

"I am old, and she lives so far away. I have challenges ahead and the reality is her next trip back will be for my funeral," he said.

"When you were saying good-bye, I heard you say, "I wish you enough." May I ask what that means?"

He began to smile, "That's a wish that has been handed down from other generations. My parents used to say it to everyone..." He paused a moment and looked up as if trying to remember it in detail, and he smiled even more.

"When we said, "I wish you enough," we wanted the other person to have a life filled with just enough good things to sustain them..."

Then turning toward me, he shared the following as if he were reciting it from memory

"I wish you enough sun to keep your attitude bright no matter how gray the day may appear."

"I wish you enough rain to appreciate the sun even more..."

"I wish you enough happiness to keep your spirit alive and everlasting."

"I wish you enough pain so that even the most smallest of joys in life may appear bigger."

"I wish you enough gain to satisfy your wanting..."

"I wish you enough loss to appreciate all that you possess."

"I wish you enough hellos to get you through the final good-bye..."

He then began to cry and walked away.

They say it takes a minute to find a special person, an hour to appreciate them, a day to love them; but then an entire life to forget them. Share this with all the people you will never forget and remember to TAKE TIME TO LIVE...
