

# **SURFLETS™** Disinfectant Tablets

Disinfect virtually anything, anywhere! Surflets is ideal for keeping any dental operator or office exam room properly disinfected. Just two tablets make a hospital grade intermediate level disinfectant solution that's ready to use on...

**All hard, nonporous surfaces** – countertops, cabinets, trays and more.

**Exam tables and dental chairs** – its non-corrosive formula is safe and effective.

**Impression materials** – including vinyl poly siloxane and silicon.

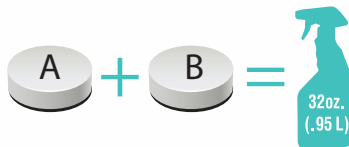

**Metal instruments** – makes a quick and convenient pre-soak prior to cleaning and terminal sterilization. Works great with ultrasonic machines, too.

# Just 5 minutes...

to hospital grade, intermediate level disinfection.

## Incredibly easy and convenient use...

With Surflets, there's no mixing required! Just add the two tablets (A and B) to 32 oz. (.95 L) of water and you're done. And with Surflets, there's no special disposal required.

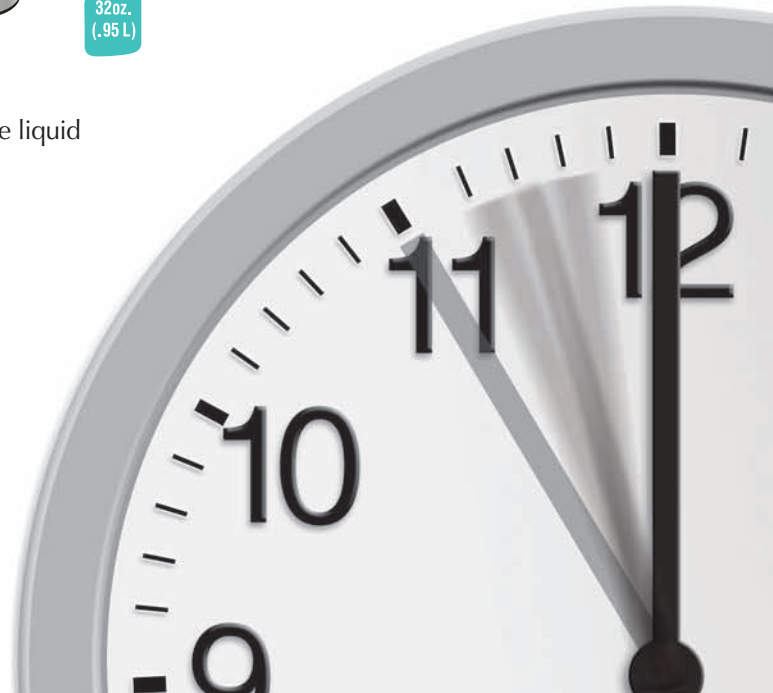

## Less Mess!

Since Surflets come in tablet form, they won't spill, run or leak like liquid disinfectants... so you can store them just about anywhere.

## Surflets disinfects against...

- Tuberculosis
- Herpes Simplex Virus 1 and 2
- Polio Virus 1 and 2
- Influenza A2 (Hong Kong)
- HIV-1 (AIDS virus)
- Canine Parvovirus
- And more...

# Fast! Just 5 minutes.

# Effective! A powerful disinfectant.

# Easy! Mixes in minutes.

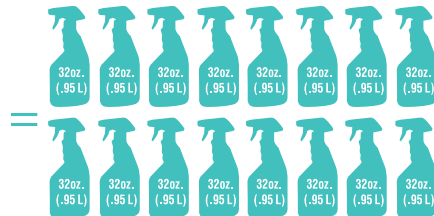

# Economical! Low cost per use.

## Two little tablets go a long, long way.

Two Surflets tablets (A&B) make one full quart (.95 L) of disinfectant—powerful enough to last for seven full days. One box makes 16 quarts (15 L) of solution... So it's economical, easy to use and small enough to fit in a desk drawer. You'll save on valuable storage space and shipping costs.

1 Box
