Extend the Power of Desktop Virtualization

Upgrade to VMware Horizon Advanced or Horizon Enterprise and Save 40%

Save 40 percent when you upgrade from one concurrent user of VMware Horizon™ View™ Standard Edition to one concurrent user of VMware Horizon™ Advanced Edition or VMware Horizon™ Enterprise Edition. Now you can leverage the best of VMware Horizon™ View™ and extend its benefits beyond VDI, providing end users with a unified workspace to securely access applications from any device, everywhere.

With these end-to-end solution bundles, you can take advantage of closed-loop management and automation, tight integration with the software-defined data center, and hybrid cloud brokering to deliver and protect all the Windows and online resources your users want, at the speed they expect, and with the efficiency business demands.
