

ARE YOU TIRED OF INCONSISTENT, UNRELIABLE TECHNOLOGY AND NO ACCOUNTABILITY?

Technology is becoming more critical, but also more complex. Without the right support and maintenance, your IT can easily become inconsistent and unreliable, rather than enabling the business. Allied has created a way to bring consistency, reliability and accountability to your IT – an approach that's long overdue.

WE BRING CONSISTENCY, RELIABILITY AND ACCOUNTABILITY TO YOUR IT

Allied's On-Demand Managed Services offer a unique approach, and eliminates the hassles of in-house IT management.

PEACE OF MIND THROUGH SECURITY AND EXPERTISE

As a customer, you don't have to worry about maintaining hardware, managing an on-site data center, or monitoring applications. Our team of experts will do it for you, ensuring the utmost level of security.

CUSTOMIZED SUPPORT FOR YOUR BUSINESS

Instead of hiring and paying unreliable and unaccountable support staff, we enable you to pay on a per-user or per-device basis so you get the right support for your business – from 15 up to 250 users.

LET US WORRY ABOUT YOUR TECHNOLOGY

With Allied, you get a dedicated team of experts watching your network 24/7

PREDICTABLE COSTS WITH PREDICTABLE RESULTS

Our highly certified staff provides everything from desktop support to high-end consultation. Our clients expect a high level of service with predictable results.

INCREASE RELIABILITY FURTHER BY MODERNIZING YOUR IT INFRASTRUCTURE

Allied also helps clients protect and modernize their IT infrastructure with solutions from industry leaders like Cisco.

SECURITY

With security no longer being "optional," we can help you create a secure environment according to your business and industry-specific requirements.

IT INFRASTRUCTURE OR CLOUD-BASED SERVICES

When it comes to the next generation of IT infrastructure, we can guide you toward the best on-premise or cloud-based solutions.

UNIFIED COMMUNICATIONS

Unified collaboration experiences are becoming a way of life. We can help you unify voice, video, messaging and IM in your organization.

IF YOU'RE NOT ALREADY IMPRESSED...

Here are some of our other differentiators that qualify us to be your technology partner.
