Change is an entirely component based casegood series that offers many desk and storage options from the conventional double pedestal desk to a variety of mobile table solutions and technology accommodations.

Worksurfaces

- Desk worksurfaces are offered in 2 sizes of rectangular and 2 sizes of arc front tops.
- P and U shaped, and CRT Corner worksurfaces are offered in 2 sizes each.
- Knife, Reed and Softened edge options provide a breadth of design alternatives.
- 24 and 25 inch depth worksurfaces in lengths from 18 inches to 108 inches top off any storage configuration.
- Component worksurfaces may be scribed to size in the field, providing custom fit for the office with non-standard dimensions.

Pedestals and Files

- Pedestals are available in box/box/file and file/file arrangements in four sizes each to provide for personal preferences.
- Lateral files are offered in two drawer configurations in 30 and 36 inch widths. Four high lateral files are available in 36 inch width.
- Pedestals and files feature finished backs as standard, top is unfinished.

Storage

- Storage includes highback organizers, bookcases, vertical storage, overhead cabinets, and a variety of mobile units.
- Overhead cabinets are available with wood doors, glass doors, or open and are wall mounted.
- Vertical storage units are available in 68 inch heights. Highback organizers and overhead cabinets correspond in height.
- Vertical storage is available in multiple widths with a variety of interior storage configurations including a TV/VCR unit and wardrobes.
- Set-on bookcases in two widths are available open or with wood or glass doors. Bookcase organizers with shelves also feature wood or glass door options for the upper area. Project drawers in silver cloud or cinder are available to fit the organizer shelves.
- Freestanding bookcases are open and feature arc front shelves.
- Backs are unfinished.

Tables

- A variety of occasional tables and conference tables may be made with matching Knife, Reed and Softened edge details.
- Round tops in 36, 42 and 48 inch diameter, two sizes of kidney bean tops, racetrack, arc, D-shaped and elliptical tops provide table options for throughout the office environment.
- Mobile, height adjustable and static leg options for tables offer a wide range of table applications.

Drawers

- Drawers are five-sided with removable fronts.
- All file drawers utilize black full extension slides.
- Box drawers utilize $\frac{3}{4}$ extension full access slides.
- User-adjustable, simple-to-use filing hardware allows legal, letter and EDP filing.

Drawer Pulls

Five pull options: Smile, Grin, Lip, Ear and Beam are each available in Satin Nickel and Matte Black finishes.

Work Tools

Slat wall tiles for use with Highback organizers put your necessities within reach, with a variety of hang-on sorters, trays and holders available in pewter and black.

Computer Support

- A Scooter table, Computer table with drawer and CPU sling, and a Pop-up Computer table are available. All are mobile.
- A drop-leaf mobile pedestal and a pedestal with organizer tray top and available shelf provide additional options for laptop computer users.
- A variety of optional keyboard accessories are available.

Locking

- Locking is standard in all pedestals, lateral files and undersurface storage units.
- Locks are independent, face mounted with a black finish.
- Units are randomly keyed as standard. Removable lock cores allow for easy rekeying at a later date.

Cord Management

- Matte black grommets are standard on all CRT worksurfaces.
- Grommets may also be specified for factory installation in any worksurface.
- Optional grommet kits are available for field installation.
- Change features hinged modesty panels, with and without grommets, to facilitate routing of cords behind units and provide access to wall power outlets.

Electrical / Data / Communications

- A variety of worksurface electrical/data/communications options provide power to the user.
- Undersurface electrical/data/communications options are also available.
- All options are field installable.

Finishes

- Change is available in Maple and Cherry veneer.
- Finishes include: Honey, Wheat, Harvest, and Caramel on Maple; Autumn, Vienna, Amber, Ginger, Oxford and Cambridge on Cherry.
- Change's satin finish is non-rubbed catalyzed lacquer with excellent veneer clarity and durability. This is an environment-friendly finish process.
- The finishes depicted in this brochure are provided as a color guide only. Great care has been taken to assure accurate color representation, but due to the limitations of photography and the printing process, color variations may occur.
- Individual wood finish samples are available upon request. Please contact a Customer Care Representative at 800.482.1818.

Additional Information
